able to taxation situated in the above territory
and I have justly and truly assessed
each of the parcels of real property so set
down at its actual value.

Except vacant ground and ground used as
a farm, garden or nursery, and not in
immediate demand for building purposes
which I have assessed according to the
value prescribed by law.

2. I have estimated and set down
according to the best of my information
and belief in said assessments roll,
an amount assessable against every
person named in the said roll for the
purpose of the tax in respect of his trade
business, profession or calling, and in
respect of his income.

3. I have entered therein the names of
all the residents, tenants, and of all
persons of whose names I am aware or who
have required their names to be entered
therein with the true amount of property
